Re: 2023 Election Endorsement

Dear Councilman Mitchell:

Please permit me to take the means and opportunity of this correspondence to thank you for meeting with me to discuss your thoughts and vision for the future of Luzerne County. Since your appointment to County Council in June of last year, you have proved to be a dedicated, reasonable, and conscientious addition to our government.

Based on your record and our discussions, it is clear why the Republican party endorsed you as a candidate. Consistent therewith, please consider this correspondence formal notice of my endorsement of your candidacy for County Council as well.

Luzerne County is well served to have rational and sensible representation on council. To that end, for the members of the public who may remain undecided in their vote in this Primary Election, I am hopeful that those voters find you to have the right experience and temperament to continue to represent the people on County Council and give you their vote.

I wish you the best of luck in the election and look forward to working with you in the future.

Respectfully,

Samuel M. Sanguedolce

Samuel M. Sanguedolce,
Luzerne County District Attorney
